17.04 Medical Information

- (a) The Employer agrees that all medical information shall be treated as confidential.

17.05 Employee File

- (a) For each Employee, an official Employee File will reside in the Office of the Faculty of Graduate and Postdoctoral Affairs.

- (d) No anonymous material shall be included in an Employee's Employee File.

ARTICLE 18 – Discipline

- 1801 The Employer will not discipline an Employee without just cause, and shall have due regard for the principle of progressive discipline.
- 1802 Nothing in this Article shall be construed to preclude normal discussions between Supervisors and Employees concerning standards, expectations, or performance of work.
- 1803 Discipline will be just, reasonable, timely, and commensurate with the offense.
- 1804 An Employee facing discipline shall be informed they have the right to Union representation should they so choose.
- 1805 The Employer shall give the Employee two (2) working days' notice of any disciplinary meeting or meeting which could reasonably be expected to lead to discipline and shall inform the Employee of their right to Union representation.
- 1806 When an Employee is disciplined, the discipline shall be confirmed in writing to the Employee with a copy to the Union stating the reasons for the discipline within two (2) working days.
- 1807 Notwithstanding the timelines set out above, where exceptional circumstances may require the immediate imposition of interim measures, the Employer undertakes to advise the Union as soon thereafter as possible, but in any case within two (2) working days.

- 1809 All disciplinary meetings, interviews, and investigations shall be treated as confidential. Should the results of an investigation find the allegations against the Employee are

Once removed, this material may not be relied upon by the Employer in any capacity.

ARTICLE 19 – Grievance Procedure

19.01 Definition

A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of this Collective Agreement.

The Union has carriage of grievances filed by members or by the Union. The Employer, via the Dean of the Faculty of Graduate and Postdoctoral Affairs (FGPA), has carriage of grievances filed by the Employer. In order to file a grievance, an Employee must have the approval of, and be represented by, the Union.

19.02 Union Representation

The Employer acknowledges the rights and duties of Union representatives to assist Employees in presenting their grievances in accordance with the procedure. The Union must notify the Employer of the names of designated representatives annually.

A Union representative shall obtain the permission of their Supervisor before leaving their work to investigate complaints or grievances of an urgent nature, or to meet with the Employer to deal with these matters. Such permission shall not be unreasonably withheld.

19.03 Complaint Stage

An Employee who feels aggrieved shall attempt to resolve the matter informally with their Supervisor. An Employee Grievance (as defined in Article 19.04) shall not be considered at Step 1 (as defined in Article 19.05) or higher unless it includes evidence of an attempt to resolve the matter at the Complaint Stage. For grievances involving alleged harassment, discrimination, or workplace violence, the Complaint Stage will be optional.

19.04 Types of Grievance

Employee Grievances

An Employee grievance is a claim by an Employee, who is solely affected, that the terms and conditions of this Agreement have been violated, misapplied or misinterpreted.

Group Grievances

Any dispute affecting a group of Employees which is taken up on their behalf by the Union constitutes a group grievance. A group grievance may be presented directly at Step 1 (as defined in Article 19.05) within twenty (20) working days of the date when the

circumstances giving rise to the grievance could reasonably have become known by the Employees.

Union Grievances

A grievance arising directly between the Union and the Employer, which could not form the subject of an individual or group grievance, may be presented as a Union grievance directly at Step 3 (as defined in Article 19.07) within twenty (20) working days of the date when the circumstances giving rise to the grievance could reasonably have become known by the Union.

Employer Grievances

A grievance arising directly between the Employer and the Union may be presented as an Employer grievance directly at Step 3 (as defined in Article 19.07) to the Union within twenty (20) working days of the date when the circumstances giving rise to the grievance could reasonably have become known by the Employer.

The Employer acknowledges the right of a representative of the Union to be present at all complaint and grievance meetings.

19.05 Step 1

An Employee and Union representative may present a grievance in writing to the corresponding unit head or their designate within twenty (20) working days of the date when the circumstances giving rise to the grievance could reasonably have become known to the Employee. The corresponding unit head or their designate shall sign and date the form, and shall return a copy to the grievor. A copy shall be forwarded to the Manager, Labour Relations (Academic).

The Employer shall respond to the grievance within ten (10) working days of its receipt or ten (10) working days following a meeting held to review the written grievance.

19.06 Step 2

If the Employee or Employees are not satisfied with the response at Step 1, they and the Union representative may, not later than ten (10) working days after receipt of the decision, or if no decision was received, not later than ten (10) working days after the last day on which they were entitled to receive a decision, transmit the grievance, along with the Step 1 decision, if any, to the Dean of FGPA or their designate, with a copy to the Manager, Labour Relations (Academic).

The Employer shall respond to the grievance within ten (10) working days of its receipt or ten (10) working days following a meeting held to review the written grievance.

19.07 Step 3

If the grievor (Employee, Employees, Union or Employer) is not satisfied with the response at Step 2, the grievor not later than ten (10) working days after receipt of the decision, or if no

decision was received, not later than ten (10) working days after the last day on which they were entitled to receive a decision, may transmit the grievance, along with the Step 1 and Step 2 decisions, if any, to the: (i) Director, Labour Relations (Human Resources), and (ii) Provost and Vice-President (Academic) or their designate. The Employer shall respond to the grievance within ten (10) working days of its receipt or ten (10) working days following a meeting held to review the written grievance.

The grievance procedure is considered to be exhausted after the last day on which the grieving parties were entitled to receive a decision. If the grievance is not resolved at Step 3, the grieving party may refer the grievance to arbitration as per Article 20: Arbitration.

19.08 Time Limits

The time limits stipulated in the procedure will be strictly adhered to by both parties. Failure to respect these time limits will render the grievance abandoned. These time limits may be extended only by the express written agreement between the Employer representative and the Union representative. If the responding party consents, for exceptional circumstances, a grievance may be presented directly at Step 3.

19.09 No grievance shall be deemed to be lost due to minor technical irregularities.

19.10 Binding Decisions

The parties shall be bound by and shall promptly implement all decisions arrived at under the procedures described in this article.

After a grievance has been filed, no negotiation of the issues raised in this grievance shall take place outside of the Grievance Procedure.

19.11 Alternative Complaint Redress Mechanisms

A complaint may be initially reported and/or investigated under the applicable Carleton policy. Where such a complaint and/or investigation is pursued, an Employee may not file a simultaneous grievance on the same issue in accordance with this article unless or until the complaint and/or investigation process is complete or otherwise terminated. Upon completion of that process, the timelines set out in Article 19.05 commence.

ARTICLE 20 – Arbitration

20.01 Either of the parties may, within fifteen (15) working days after the grievance procedure under Article 19 has been exhausted, notify the other party in writing of its desire to submit the grievance to arbitration.

20.02 The matter will be referred to a single Arbitrator, mutually agreed to by both parties. The Arbitrator shall hear and determine the grievance and shall issue a decision and that decision is final and binding upon the parties and upon any Employee affected by it.

- 20.03 The arbitrator shall have no authority to add to, subtract from, change, alter or ignore in any way the provisions of this Agreement or any expressly written amendment or supplement thereto or to extend its duration, or to make an award which has such effect unless the parties have expressly agreed, in writing, to give it specific authority to do so.
- 20.04 Each party shall bear the expenses of its representatives, participants and witnesses and of the preparation and presentation of its own case. The fees and expenses of the Arbitrator, the hearing room and any other expenses incidental to the arbitration hearing shall be borne equally by the parties. The parties agree to use University facilities whenever possible.

ARTICLE 21 – Joint Committee for the Administration of the Agreement (JCAA)

- 21.01 A JCAA composed of six (6) representatives, three from each party, shall be established within sixty (60) days of the signing of this Agreement.
- 21.02 The purpose of the JCAA is to provide a forum for discussion of matters pertinent to the operation of this Agreement or other matters of interest to both parties and to perform such other functions as may be assigned to it by this Agreement or by the parties to this Agreement.
- 21.03 The parties agree that any change contemplated by Carleton University that impacts either the working conditions of Postdoctoral Fellows, and which is brought to PSAC for discussion, will be brought to the JCAA for meaningful consultation with the Union prior to being implemented.
- 21.04 The JCAA shall meet as necessary, but normally at least four (4) times per year. Special meetings may be called by either party on five (5) days written notice or by mutual consent to deal with particular issues. A quorum shall consist of two (2) representatives of each party.
- 21.05 An agenda shall be set for each meeting, and minutes of meetings shall be taken. The minutes so recorded shall be reviewed for approval at the next meeting of the JCAA. The parties will take turns in preparing the agenda and the minutes for each meeting.

ARTICLE 22 – Negotiation Procedures

- 22.01 The Employer shall recognize a Union bargaining committee of not more than three (3) Employees who are current Employees under this Collective Agreement. The members of the bargaining committee may be accompanied by an advisor of their choosing.
- 22.02 The parties will bargain in good faith.
- 22.03 The Union shall notify the Employer in writing of the names of the bargaining committee members named by the Union, and only those bargaining committee members shall be recognized by the Employer.

22.04 Meetings shall be held at a time and place fixed by mutual consent.

22.05 Nothing in this Agreement shall prevent its subsequent amendment by mutual agreement.

ARTICLE 23 – Health & Safety

23.01 The parties shall comply with the *Ontario Occupational Health and Safety Act R.S.O. 1990 c. O.1* (OHSA) as amended from time to time.

23.02 The parties shall co-operate in establishing rules and practices which promote the safety and health of Employees.

These rules and practices include all training provided by the Employer as mandated by legislation (hereafter referred to as compliance training) and further training required by the Employer. Such compliance training currently includes but is not limited to:

- (i) Workplace Violence and Harassment Prevention Training;
- (ii) Accessibility for Ontarians with Disabilities Act (AODA) Training:
 - Accessibility Standards for Customer Service;
 - Employment Standard Training;
 - Information & Communications Training.
- (iii) Employee/Worker Health & Safety Awareness Training.

The Employer reserves the right to amend the above list of compliance training modules in accordance with legislative requirements and best practices. The Union will receive written notification within two (2) weeks of the Employer acting upon such amendments. Where possible the Employer will meaningfully consult with the Union concerning matters related to the development and/or implementation of compliance training and further training required by the Employer.

Time spent by an employee completing compliance training shall be deemed to be time worked.

23.03 The Union shall be entitled to elect or appoint an Employee as a representative to the Joint Health and Safety Committee (JHSC).

23.04 All time spent by a PSAC 77000 representative on the JHSC as time authorized by the Director, Environmental Health & Safety as is necessary to carry out their duties under the OHSA as per 23.01 above, shall be deemed time worked.

Any overtime incurred as a result of training activities must be pre-approved by the Supervisor and the Director, Environmental Health & Safety. Such approval shall not be

unreasonably withheld.

We are here to help as you get used to your new job, and possibly a University and a city that are also new to you.

Please give us a call or email us with your contact information.
